**RIDE HEIGHT, WEIGHT, AND SIZE RESTRICTIONS**  
For the safety of our Guests, most ride height, weight, and size restrictions. Guests must not ride if they are unable to properly use seating or safety restraints or to understand and follow safety procedures as required by the manufacturer. Child harnesses are not permitted on any ride. We recommend Guests have their children's height measured early during their visit since this allows Guests to know right away which rides will accommodate their children. This service is available at Guest Relations. Ride height requirements are subject to change without notice.
